# LIFAN E4 3KW 70KPH FEATURES

## ALLOY SWINGARM & DUAL DISC BRAKING

The alloy swing arm is just one of the many quality features that are often only found on far more expensive machines, front and rear disc brakes ensure shorter, safer stopping distances regardless of road conditions.

## HIGH QUALITY LG LITHIUM-ION BATTERY

A high quality 60V 35Ah Greenway battery is fitted with LG Lithium-ion cells to ensure safe & reliable long term performance A second battery can be purchased to double the usable range of the scooter.

## EASY & QUICK TO CHARGE

The battery Fully charges in Only 6 hours and can be done onboard or quickly removed from the scooter and charged remotely - whichever is most convenient

## FULL LED LIGHTING

The LED headlight and daytime running lights not only give the rider a great view of the road ahead, but also ensure you are highly visible to other road users. Full LED lighting is not only brighter but uses less power than conventional bulbs

## LED REAR LIGHTING

LED rear light and indicators are super bright so other road users know you are there. Full LED lighting is not only brighter but uses less power than conventional bulbs

## 3kW BOSCH MOTOR

3000w Bosch rear wheel hub Motor delivers outstanding and quiet performance

## TFT DASH FULL COLOUR DISPLAY

Modern Full Colour TFT display looks great, is easy to see and gives you all the information you need at a glance without being distracting.

## ITALIAN STYLING

The MGB E4 was designed & styled in Italy and it looks fantastic ! With sharp, clean lines and excellent ergonomics

## TWIN SHOCK REAR SUSPENSION

Twin piggy back rear shocks gives a controlled and comfortable ride.

## LARGE ALLOY REAR RACK

The E4 has a large cast aluminium rear rack with grab rails - perfect for carrying a soft bag or mounting a top box to provide you with additional secure storage. Please Note - Top Box shown in the pictures is an optional extra and Not standard fitment.
